Spaces will be marked off on the south side of the train viewing platform. Families as well as businesses are invited to participate. Businesses are encouraged to list the name of their business and

It is important to keep a watchful eye on your scarecrow during the month of October. It may need occasional repairs due to wind and rain. We want the village to look nice throughout the entire month. If left unattended and becomes damaged, the scarecrow becomes property of the city and will be removed.
